School News
School resumed for term 4 on the 8th October
and already the students have had a busy
few weeks.
Kindergarten transition began on the first day
back and we were delighted to welcome 3
very excited little children to our school. They
had a busy morning and will continue to join
us on Tuesdays over the term.
Week 2 of the term saw the students,
teachers and some parents travel to Dubbo
for an overnight excursion to the zoo. Prior to

departing, the students each studied an animal from the zoo and were asked to create a power-point presentation with what they had learnt about the animal. They learnt many interesting facts and the guides at the zoo were very impressed with amount of knowledge each child knew about their studied animal. Apart from the cold night they spent in the zoosnooze safari tents and the early rise the next morning everyone enjoyed themselves coming home tired but happy. The P & C will be running a Christmas hamper raffle that will be drawn on Presentation night Thursday 12th December. Tickets are available from the school or any of the staff or students. The e waste bin at the school is not yet full so please drop your old TVs, faxes & computers at the school and they will be added to the bin for disposal. Aluminium cans and old batteries can also be dropped off. Thank-you to all who have dropped off items for recycling.

WANTED YOUR E-WASTE!!!!.

Matthews Metal Management have provided the School with 2 bins to collect old, defunct or obsolete electronic equipment such as computers, fax machines, printers, televisions etc and will collect and pay the P&C when they are full. So please do not pay tip fees to discard these items instead just drop them at the School and you will be helping the students and saving yourself some money. We also collect aluminium cans and old batteries to recycle.
